

NeoTimber® Planters, Raised Beds and Composters Datasheet

NeoTimber's range of Planters, Raised Beds and Composters are all made from high-quality recycled plastic, providing you with a long-lasting solution for your planting scheme. All of our products are easily assembled and incredibly low maintenance.

Our Ethos

Using plastic responsibly is at the core of our company mission.

All of the recycled plastic we use is thoroughly washed, shredded and checked for quality throughout the entire remanufacturing process. By choosing to buy recycled plastic furniture, you are fuelling a more sustainable economy, as well as helping to keep unwanted plastic waste from ending up in a landfill, by instead repurposing it into something useful.

Full range includes: Tables • Benches • Bins/Composters • Planters • Garden furniture

Learn more about our recycled plastic products, visit us at www.neotimber.com/furniture/
